Imaging Sciences warrants that Imagine Glass™ decorative laminated safety glass shall be free from material defects and de-lamination for a period of 5 years from manufacture. Imaging Sciences further warrants that Imagine Glass™ in vertical applications will be free from material color fading or discoloration for a period of 5 years from date of sale, when used in an approved application.

Glass breakage is specifically excluded from this warranty, as is de-lamination or edge separation due to improper handling, installation, maintenance or repair.

Imaging Sciences warrants that the product will conform to applicable specifications contained in Imaging Sciences product data sheets and technical bulletins as of the date of sale.

Imaging Sciences' liability is limited to replacement of defective products. Imaging Sciences shall not be liable under any circumstances for any loss, damage or expense directly or indirectly arising from the use of products sold, inability to use products sold, or from any other cause. Imaging Sciences shall not be liable for any consequential or incidental damages such as labor costs arising from or alleged to have arisen from the use of any product covered herein. Imaging Sciences shall not be liable for any costs or damages arising from delivery outside quoted lead time. This warranty does not cover product beyond the warranty period applicable to the original product purchased.

Warranty applies only to materials that have been paid in full. Replacement of product will be the sole remedy of the Buyer. All other remedies be they at law, equity or otherwise are disclaimed. Seller specifically excludes all other warranties, express or implied, including any warrant of merchantability or fitness for particular purpose or use. It is solely the Buyer's responsibility to determine the suitability of products and their compliance to applicable laws, Federal, State & local building codes and safety standards.
